PROFILE

Experienced and detail-oriented Frontend Developer with experience in building responsive websites and mobile applications using HTML, CSS, JavaScript, React, and React Native. Passionate about crafting seamless user experiences and solving real-world problems through technology. Strong understanding of cross-platform app development and modern UI design.

EXPERIENCE

React Native Junior Developer

AppWizards Private Limited – Apr 2025 – Present

Indore, India

- Build Client Projects with Android and IOS compatibility.
- Upgraded a client project from React Native v0.72 to v0.78 and fixed ~95% of identified bugs.

React Native Intern

AppWizards Private Limited – Dec 2024 – Apr 2025

Indore, India

- Worked in 3 different projects as an Intern.
- Built UI components, screen navigations, file upload modals.
- Upgraded a client project from React Native v0.72 to v0.78 and fixed ~95% of identified bugs.

Frontend Developer

OTTDock Private Limited – Oct 2022 – Jun 2023

- Designed and implemented responsive website layouts, improving mobile traffic and accessibility.
- Revamped the content management system's (CMS) creation flow, enhancing content publishing speed.
- Maintained and optimized client websites for performance and UX improvements.

Frontend Developer Intern

OTTDock Private Limited – Aug 2022 – Oct 2022

- Maintained key UI components like footers and resolved non-responsive layout issues.
- Introduced animation and transitions to enhance user experience.
